Great value, **specialist insurance** cover for Community Facilities

Personal Service

We are a specialist in working with community and voluntary groups and understand the value of a personal service.

All of our clients have access to a personal account handler, we do not operate on a call centre basis.

This means that you have a dedicated contact when you need to speak to us. Your adviser will become familiar with your centre, offering advice to you and preventing the need to explain 'from the start' every time you contact your insurance provider.

Ladbroke represent you, when we place cover and in the event of a claim. To understand why

this is important, we would always be happy to put you in touch with clients that we have supported, face to face, during complex claims.

We will also be happy to visit your centre to discuss a quotation for your insurance. If you would like us to visit your management committee, we would be delighted to do so.

Extensive cover, crafted for Community Facilities

Our team have decades of experience of working with the management team of community facilities. We have designed, with our partner Bluefin Underwriting, a specialist product and added in benefits for your community facility to further support you.

£5,000,000 Liability Insurance

Recent changes to the Ogden Rate have made some claims more expensive to settle, this is why we have chosen to offer £5,000,000 of public liability as standard with the option to increase to £10,000,000 if required.

Youth Groups

While incidents are rare, safeguarding is an issue that any group that work with young or vulnerable people have. Abuse cover is included and it is provided on a 'claims occurred' basis, which is stronger than the 'claims made' basis, that some providers offer.

Trustee Indemnity Cover

Our policy automatically includes £50,000 of Trustee Indemnity cover which can provide peace of mind for those running your centre or hall.

Hirer's Liability

We include this cover as standard and will be happy to talk to discuss your risk management approach to the groups who use your centre. We can help you establish best practice and achieve peace of mind that the right insurance arrangements are in place.

Personal Accident

We include this 'accident benefit' cover for you to support the wonderful volunteers that help keep your facility running.

Risk Management Support

We have access to a wealth of health and safety templates, policy documents and guidance notes to help you manage risk at your hall or community centre.

Sponsorship Offer – Claim £50

If our insurance proposal is to your liking, we will offer a further 10% discount for a long term agreement. We will also offer your centre £50 of sponsorship in return for a website advert.
